

# Seal Repair: How it works

No cost, no obligation quote provided to you

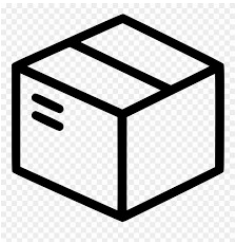

Free return shipping if you choose not to use our services

## Step 1

Click on “Get Repair Packing Slip.”  
Enter your information and print a packing slip.

## Step 2

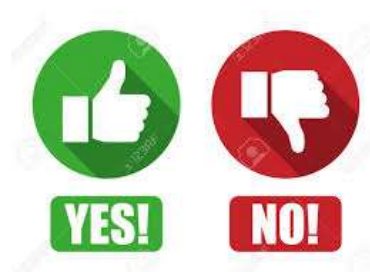

Pack your seal and the packing slip and ship it to us per the instructions on the packing slip.

## Step 3

We will disassemble and inspect your seal and a free no obligation estimate will be emailed to you within approx. 1 week after receipt of your seal.

## Step 4

Simply respond to the email accepting or rejecting the quote. If you accept you will be asked to provide a CC number or a Purchase Order. If you reject the quote your seal will be shipped back to you to the address you entered at no charge.
